## Prejudice Against Mormons Growing

According to Oscar E. Lowder, who has been on a mission in the eastern states, some cities in the state of New York have passed ordinances prohibiting Mormons from distributing tracts, and propagating their faith. Elder Lowder says that prejudice against the Mormon church is undoubtedly growing stronger. Mr. Lowder has labored in New York, Pennsylvania, Maine and New Hampshire.

He says that in spite of the prejudice good work is being done by missionaries of the church.

## SCOTS PREDOMINATE IN PANTAGES SHOW

It's a Scotch bill sure enough at the Orpheum theatre this week for the Pantages vaudeville run. Topping the list is Jessie Blair Stirling and her six lassies in "Echoes of Scotland." Among them are pianists and dancers and a singing trio who has a soprano voice of unusual charm.

The Chung Hwa Four, celestial entertainers par excellence, inject a bit of Scotch in their offering when they appear in kilts and put over some droll humor of the kind Harry Lauder dispenses.

Then there is "The Great Howard," a ventriloquist of no mean ability who chooses the kilts to dress up his offering. Besides these there are three more acts of dancing, fun and thrills.

## SALES MANAGER IS BACK ON JOB

Shardlow is Well, Cheerful and Happy Since Taking Tanlac

One of the distinguishing features in connection with the introduction and sale of Tanlac throughout America is the large number of traveling men who have been benefited by its use. From Maine to California and from the Gulf to Northern Canada, men representing almost every line of business have testified to the remarkable and gratifying results obtained by taking Tanlac.

One of the latest of those to endorse Tanlac is H. Shardlow, sales manager for the Solar Illuminating Co., of Chicago, who lives at the Hotel Stowell, Los Angeles, Cal.

"Tanlac is the finest medicine I have ever run across," said Mr. Shardlow recently. "I gained nine pounds on three bottles and have gotten rid of a case of stomach trouble that nearly cost me my life. For several months I had suffered terribly from acute gastritis and was very nervous. Everything I would eat soured and formed gas, my chest and lungs would pain me and my heart palpitate for hours in tummy and have been forced to spend days at a time in bed. I lost nineteen pounds, was a nervous wreck and had to give up all idea of business.

"I had the best treatment and medicine and was put on a special diet but got no better, and was finally told that only an operation would relieve my trouble. One day while in El Paso, Texas, I had an attack that almost proved fatal. I had been reading about Tanlac and immediately tried it. Thinking day I was sick, blue and discouraged, but since taking Tanlac I can enjoy a good meal and feel well, cheerful and happy. It gives me pleasure to recommend Tanlac and I hope all sufferers from stomach trouble may be induced to try it."

## SAGE TEA KEEPS YOUR HAIR DARK

When Mixed With Sulphur it Brings Back Its Beautiful Lustre at Once

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't say gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of Wyeth's Sage and Sulphur Compound, which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.—Advertisement.

## RED ARMY MARCHING EAST IN SIBERIA

## Chinese Government Receives Message of Attempt to Aid Workmen and Make Peace

LONDON, March 31.—A dispatch to the London Times from Peking dated March 29, says the Chinese government has received a message from the Moscow soviet through Commissary Jansen at Irkutsk announcing that a red army is marching east to succor the workmen and peasants in Siberia from the "brigands, Kotechak, Semenov, Horvath and their Japanese allies and establish everlasting peace."

The communication expresses horror at the crimes committed against China and undertakes to annul all treaties and renounce all privileges improperly acquired from China.

China is urged in the communication to resume negotiations for the restoration of the Chinese Eastern railway, the cancellation of the protocol of 1901 and the extra territorial rights hitherto enjoyed by the Russians and the renunciation of the "boxer" indemnity, the privileges of orthodox missionaries and mining rights.

The dispatch says the soviet also offers to hand over to China without charge the great Russian tea factories at Hankow. The only condition made is that the people of China have complete freedom to determine their own system of government.

The message, the dispatch declares, vaguely indicates that the services of the red army will be available to deliver China from foreign imperialistic and capitalistic ambitions.

The correspondent says there is no doubt that everything offered will be accepted by China. The Bolsheviks, he adds, have succeeded in establishing themselves in the good graces of the Chinese and the future between them promises to be full of harmony.

"We have assurance from Connecticut and Vermont that no special session will be called. We also have assurances Ohio, New Mexico, Oklahoma and Maine will, by right of referendum, determine the will of the people as to whether women shall vote."

Mrs. Florence Hillis, president of the suffrage state organization, said:

"We have a majority in the senate. We will try to shove the measure through that body and then strive to have the house act favorably on the joint ratification resolution. We are discouraged but we are by no means licked."

## Delware Lower House Vote Against Suffrage

DOVER, Del., April 1.—Ratification of the suffrage amendment was defeated in the lower house of the legislature today. The vote was 23 to 9.

Members who voted for the amendment subsequently changed for the purpose of later moving to reconsider. The vote as finally announced was 26 to 5.

The defeat of the ratification resolution dashes to earth the hope of the suffrage leaders that Delaware would become the thirty-sixth state to ratify suffrage and thus achieve the prestige of casting the vote that would give women the right of the ballot.

The legislature, called in extraordinary session by Governor Townsend to consider the amendment met on March 22. Leaders of the suffrage movement and those opposed to it flocked to this quiet little town.

Gratification over the defeat of the amendment was expressed by Mrs.

## In 2000 Counties This Month

### The Forces of the Church of Christ Will Gather To Face the Facts.

IN 2000 counties in the United States the pastors and laymen of 30 great denominations will meet in conference this month.

It is the kind of conference that generals hold before a critical engagement; that business men hold before entering a new market. A conference of judgment, not emotion; a clear-eyed facing of the facts.

### A Survey that Business Men Must Admire

For more than a year hundreds of workers have been quietly engaged in making a scientific survey of the mission fields, and of America county by county.

The facts developed are startling. No such picture of America's religious situation has ever before been drawn.

On the basis of these surveys thirty Protestant denominations are uniting in a

### Nation Wide Cooperative Campaign

Each of the thirty denominations has its own "Forward Movement" organized and officered. The Interchurch World Movement is the clearing house for all of these.

It is the agency which the churches have created to avoid duplication, to foster cooperation and make sure that every man and dollar render the utmost service possible.

The month of April will be devoted to making the facts of the survey known to America; in the week of April 25th-May 2nd, will come a united simultaneous financial campaign.

### Whether You Are Inside the Church or Out

To every man and every woman who loves his country, these 2000 county conferences are vitally important.

For the facts developed by this great survey show vividly what forces are at work in America—and what kind of a country this country is to be.

See that the pastor of your church appoints delegates. Any pastor can tell you the conference place and date. Or write direct to the
